

July 11th Workshop

Please note the change of subject from that in the recent newsletter.

Unfortunately Diane is unable to be present on this occasion and will give her presentation 'Pushing Boundaries' at a later date.

CAMERA USE

Previous workshops on camera use have proven to be very popular, with members of all grades participating. Members will separate into discussion groups - Canon, Nikon, Fuji, Sony, Olympus as required.

Discussion can cover camera or accessory use. Auto/manual mode, aperture/shutter priority, program, bulb.

Focus - auto/manual, area, back button, servo.
Metering modes - partial, spot, centre weighted.
WB, ISO, etc
Memory cards, formatting

Accessories - Lenses, tripods/monopods, Speedlites, Speedlite modifiers, lighting triggers. Filters.

And much more

Bring your camera and a notebook.

This is your opportunity to learn
or to teach other members
